

EXTREMELY SAFE.

FIND THE RIGHT SHOE SIZE

- 1.** Place the bottom of this sheet of paper against a wall. Then position your heel by the arrow against the wall and your foot within the foot pattern.
- 2.** Make sure your foot is flat and mark the end of your foot with a pen/pencil.
- 3.** Add 5 to 8 mm to determine your size.

IS THE SCALE CORRECT?

MAKE SURE THAT YOUR PRINTING SCALE IS SET AT 100%. PRINT AND USE A RULER TO CHECK IF THE SCALE IS CORRECT.
