BILLY S3

META XD

S3-Safetyshoe with sole plate for wet work

A superb shoe for galvanising and welding metal. The BILLY-META offers maximum protection when your job requires that extra level of safety. The reinforced metatarsal cap protects the entire top of your foot, while the Hydro-Tec® antibacterial lining wicks away moisture quickly to keep your feet dry and fresh. A high-cut, reliable and extremely robust model built for demanding work environments. Details Reinforced Metatarsal cap for added protection on the top of the foot. High-cut design for increased ankle support. Hydro-Tec® antibacterial lining keeps feet dry and fresh. Robust anti-slip outsole for stable grip on different surfaces. Excellent shock absorption for long working days. Durable construction with wear-resistant materials....
