

## Artikelnummer

MM520540

FIT D

SIZE RANGE 35-48

COLOR White

UPPER MATERIAL Microfiber

LINING MATERIAL Hydro-Tec® Antibacterial

INSOLE Non woven Antistatic

INLAY SOLE Anti bacterial

TOE CAP Steel / EN ISO 22568-1:2019

PROTECTIVE LAYER None

UPPER CONSTRUCTION Strobel-stitched

MIDSOLE PU

OUTSOLE PU | GripForce® Easy Twist

OUTER TOE CAP None

FASTENING TYPE Laces white RPET WORKING 95

CM

EUROPEAN STANDARD EN ISO 20345:2011

ANTISTATIC PROPERTIES Antistatic 0,1 - 1000 M Ohm

ANTI-SLIP SRC

## CAS

S2-Safety shoe for wet working conditions

For fresher, fatigue free feet.

The bright white Cas is the lower version of the Corona. Its washable micro-fibre uppers are treated to repel all kinds of dirt, germs and bacteria. Specially created for almost all occupations within the Food industry, the Cas is a highly breathable, comfortable shoe for all day wear. Energy returning soles prevent fatigue and keep the wearer fresh, alert, foot sure and steady even in the event of a spillage.

Industries:Food industry, Chemical industry,
