DAVE

S3-Safetyshoe with sole plate for wet work

METAL FREE The streetborn safety shoe. If trainers are what you prefer to wear but you need a safer shoe for work, look no further than the Dave. A no compromise metal free safety shoe that looks and feels like a classic sneaker. It gets its name from the highly supportive reinforced heel. This heel together with the shoe's reinforced, shock absorbing sole keeps ankles, shins and joints free from stress and injury. DenimX laces with a story! Made from recycled jeans for our sustainable safety shoes.
