PARIS

S1P-Safetyshoe with sole plate for dry work

Great looks, highly comfortable and maximum protection. This lightweight woven textile safety shoe has it all. A sporty design that is combined with optimal wearing comfort. Paris is not only a good-looking shoe, it also offers all the desired protection. Thanks to the woven, PU coated textile and the Nano Carbon Composite protective toe, this shoe is lightweight. This ensures that the shoe performs excellently at workplaces where safety and long-lasting comfort are top priorities. For the Paris the woven textile is combined with PU: a wear-resistant polyurethane that optimally protects the textile. The extremely comfortable PU insole guarantees long-lasting support and cushioning of the foot. Thanks to the Hydro-Tec® Antibacterial lining, this safety shoe is also...
