PATRICK

S3-Safetyshoe with sole plate for wet work

Stay fit, fresh and focused on the job.

The Paul is a lower model of the Patrick, it's an all-round, flexible work shoe that's tough enough to deal with the majority of work environments. An ideal choice for a wide variety of occupations. From Logistics to Chemicals, to Agriculture and the Security Services, it's an ideal choice when optimal foot protection is required. There's a strong, solid steel plate in the sole and resilient leather uppers to defend the feet from unexpected hazards. Perfectly balanced, anatomical arch support will keep you feeling fit and fresh, all day every day.
