RAY

S3-Safetyshoe with sole plate
for wet work

WATERPROOF

The all-round safety shoe:
extremely safe & comfortable,
100% metal free & waterproof.

The Ray has everything you
would expect from a safety
shoe; rugged and durable with
all day long comfort and
protection for your feet in all
conditions, all day long. This
shoe has a fully waterproof
membrane, so you don't have
to worry about wet feet. You
can fully concentrate on getting
the job done. The reflective
parts on the shoe ensure that
you are clearly visible in the
dark and the Gripforce outsole
gives you maximum grip. The
extremely tough carbon look
on the side of the upper gives
the shoe a sporty look. It is
available in 2 widths (D & XD).
