ANTI-SLIP SRA

S3-Safetyshoe with sole plate for wet work

The formally styled business shoe that protects the feet from above and below.

Water resistant leather uppers, zero penetration in-sole and a steel safety toe cap are some of the reasons why the Trento is a popular choice for Security professionals. A low version of the Torino, offering marginally more ankle support, the Trento is a shoe that's specifically designed for standing, walking and the occasional run.

Industries:Government & services.
