VERA S2

S2-Safety shoe for wet working conditions

S2 FO SR LG SC

If hygiene is extremely important in your work, Vera S2 is the shoe for you! The microfibre exterior is fully washable. As a result, this S2 safety shoe is easy to maintain. The protective outer toe cap repels grease, fat and moisture. Vera is ideally suited for people working in the food industry and catering.

- Besonders hygienisch: leicht zu reinigen und keine Chance für Schmutz und Feuchtigkeit.
- Erkennbarkeit am Arbeitsplatz durch verschiedenefarbige Sohlen.
- protective outer toe cap
- Energy-returning sole.
